

Act naturally

They gonna put me in the movies,
they gonna make a big star out of me.
We make a film about a man, that's sad and lonely,
and all I gotta do is act naturally.

**When I get you, I'll gonna be a big star,
might win an oscar, you can never tell.
The movies gonna make me a big star,
'cause I can play the part so well.**

**Well, I hope, you come and see me in the movies,
then I know, that you will play me see:
„the biggest fool that ever did the big man“
and all I gotta do is act naturally.**

We make a scene about a man that's sad and lonely
and begging down upon his bended knee
I play the part, but I don't need rehursing
all I gotta do is act naturally.

**When I get you, I'll gonna be a big star,
might win an oscar, you can never tell.
The movies gonna make me a big star,
'cause I can play the part so well.**

**Well, I hope, you come and see me in the movies,
then I know, that you will play me see:
„the biggest fool that ever did the big man“
and all I gotta do is act naturally.**
