

Don't be angry

My wife and me we were happy long time
she found another and I found the wine
now I'm as happy as I was before
cause I don't need anybody can't be florid more.

Ref.:

**Don't be angry don't be cool don't be sad, don't be a fool
and together let's begin' here's a song for you to sing.**

**Don't be angry don't be cool don't be sad don't be a fool
come together lets begin here's a song for you to sing.**

I took all me money and went to apart
just to drink whiskey and filled myself up,
than I fell asleep and when I woke up
these old fucking bastards have stolen my car.

Ref.:

And the next mornnrig I looked in the mirror
and that was I saw, I was shaken to horror
I fell on my knee and I started to pray
Oh, good Lord, please let me discover one day.

Ref.:

Then some years later, I came into heaven
then I met an angel but instead I'm so sever
smoke, he told me, not for you, my friend
you don't need an angel, but I just take your hand.
