

# Westering home

**Westering home and a song in the air light in the eye and it's goodbye to care.**

**Laughter o'love and a welcoming there Islay my heart my own one.**

**Laughter o'love and a welcoming there Islay my heart my own one.**

Tell me o'lands of the Orients gay, speak o'the riches and joys of cathay.

Oh but it's grand to be walking each day, to find yourself nearer to Islay.

**Westering home and a song in the air light in the eye and it's goodbye to care.**

**Laughter o'love and a welcoming there Islay my heart my own one.**

**Westering home and a song in the air light in the eye and it's goodbye to care.**

**Laughter o'love and a welcoming there Islay my heart my own one.**

Where is the folk like the folk o'the west, canty and county and kindley the best.

There I would lie me and there I would rest, at hame wi'my amed folk in Islay.

**Westering home and a song in the air light in the eye and it's good bye to care.**

**Laughter o'love and a welcoming there Islay my heart my own one.**
