

Love of My Life (D. Kincaid)

Oh, my Love I know that I,
will you love you till the end.
And oh, my Love won't you walk with me .
And tell me once again.

Oh, love of my life,
day and night, i pray.
I'll always be
Oh forever in your heart.
In mine you'll always be.

The old man to his agin wife,
he took her by the hand.
Trough all these years I've loved you so.
And I will say again.
