

# THE ONE ROAD

---

We're on the one road, sharing the one load.

C G D

Wer'e on the road to god knows where

G e

We're on the one road, it may be the wrong road,

A7 D

But we're together now who cares:

G e

Northmen, southmen, comrades all,

A D

Dublin, Belfast, Cork and Danygall

G e a D7 G

We're on the one road swinging along, singing the soldiers song.

E H7 e  
All we've had are troubles now and then,

G D G  
now is the time to make them up again

e H7 e  
Show that we are irish anyhow,

G D e  
now is the time to step together now.

R.:We're on the one road...

Tinker, tailor, evry watcher's son

butcer,baker show their in its gun.

Ric men, poor men, evry men in line,

all together jut like all band sign

R.:We're on the one road...

Night its darkness just before the dawn,

from the sencions Ireland is reborn.

Soon will all united irish men

make our land a nation once again.

R.:We're on the one road...
